# The 8th International Double Bass Convention

September 10 - 16, 2007  
Brno, Czech Republic

FACULTY OF MUSIC,  
JANÁČEK ACADEMY  
OF MUSIC AND  
PERFORMING ARTS

## Brno and the Janáček Academy of Music and Performing Arts

The Janáček Academy of Music and Performing Arts was founded in 1947. Its beginning had been preceded by many years' effort connected with the name of Leoš Janáček, who had established an organ school in 1881 and the Brno Conservatory in 1919. Janáček's lifelong strife for the establishment of an artistic college developing the skills of conservatory graduates and other talented students was fulfilled then.

The Janáček Academy of Music and Performing Arts has entered the heart of the city thanks not only its rich concert and theatre activities, but also the organization of the international interpretation master classes.

### The 8th International Double Bass Convention

will focus on the following areas:

- **Solo repertoire** – concentrates on all kinds of contemporary concert music, competition programmes and music needed for auditions to symphonic orchestras; the study of double bass music with emphasis on bow and finger technique.

- **Jazz double bass** – is assigned not only for advanced jazz double bassists, but also for beginners and all who would like to familiarize with jazz double bass from the basics to developed jazz improvisation.

- **Chamber music** – is dedicated to double bass duos, trios and quartets. Participants have opportunity to perform their newly learned pieces at the final concert of the convention.

- **Study of orchestral parts** – is aimed at world symphonic and opera production, as well as at fragments of orchestral parts usually performed at orchestral auditions.

- **Double bass orchestra** – is the highlight of The International Double Bass Convention. A performance of 40 double bass players, which will be open air in case of good weather, is very contributing for the popularization of the instrument and unexceptionally attractive for the public and is meant for all participating students and teachers. Rehearsals (75 minutes) of double bass orchestra are every day.

The course attendants can make use of 360 lessons in total, each of 30 min.

- **Quickfire competition** – is held on Saturday, September 15, 2007 and is in two rounds. All participants may enter.

Requirements:

1st round: two contrasting parts of a cyclic composition (any sonata, concert, suite)

2nd round: a virtuoso composition at your own option (Bottesini, Glier, Paganini, etc.)

The jury consists of master class teachers. The winners will be given a diploma, material prizes and they will perform at the concert of laureates.

- **Recitals** – as a part of the convention there is a cycle of eight double bass concerts (six feature recitals, a morning performance and an open air concert), where the masterclass teachers, chamber double bass ensembles and competition laureates will take part. One of the concerts is also dedicated to jazz double bass.

- **Seminars, discussions** – after the end of each concert participants may join discussions and informal double bass performances in the restaurant "Astorka".

As a part of The International Double Bass Convention there is an exhibition of music instruments by Pöllmann, Ateliér Saldo, Rudolph Fiedler and other companies.
